

REMARKS/ARGUMENT

The Applicant has amended claims 1, 30, 47, 52, 53, 56, and 61. Claims 2, 4, 31, 50, 51, 54, 55, and 57-60 have been canceled. Claims 64-87 have been added. Accordingly, claims 1, 30, 47, 48, 52, 53, 56, 61-63, 64-87 are pending in the application. Favorable reconsideration of the application is respectfully requested in view of the foregoing amendments and the following remarks.

The above listing of claims corrects an error in claims 1 and 30 amended in the amendment submitted on June 18, 2008. Claims 1 and 30, in the amendment of June 18, 2008, inadvertently did not show underlining of the added portion or strikeouts and deletions in the claims. This supplemental amendment corrects these informalities.

CONCLUSION

In view of the foregoing remarks, the Applicants believe all of the claims currently pending in the Application to be in a condition for allowance. The Applicants, therefore, respectfully request that the Examiner withdraw all rejections and issue a Notice of Allowance for claims 1, 30, 47, 48, 52, 53, 56, 61-63, and 64-87.

The Applicants request a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,

/michaeldiaz/
